

AUROLA

FIRES & FIREPLACES

ESTABLISHED 1985

THE UK'S PREMIER SUPPLIER OF QUALITY FIRES & FIREPLACES

Fireplaces are the heart of every home, and to this end our mission has been to provide the stunning centrepiece everyone deserves.

At Aurora we're passionate about our fireplaces; we use only the finest micro-marble, lovingly shaped and hand finished by our skilled team. It's easy to produce a good fireplace but great ones take years of refinement and understanding.

We believe that to get a feel for a fireplace and how it might suit you and your lifestyle, you have to experience it first hand to truly appreciate the craftsmanship and detail that has gone into it.

It's one thing to see a picture, but to truly understand what makes a good fireplace great you need to experience it first hand, this is why you will only find Aurora in your local fireplace showroom.

AURORA
FIRES & FIREPLACES

PART OF FIRED UP
CORPORATION

CELEBRATING OVER 30 YEARS
OF UK MANUFACTURE

QUALITY MARBLE MANUFACTURED IN THE UK

Established in 1985 in Huddersfield, West Yorkshire, Aurora Fires & Fireplaces set out with the sole focus of manufacturing quality marble fireplaces for fireplace showrooms. From the start our approach has been to combine traditional hand finishing techniques with modern manufacturing, producing luxury fireplaces at an everyday affordable price.

Each and every Aurora fireplace we've produced follows this philosophy, assembled by hand, beautiful and built to last.

Aurora has developed from a small, family run company into one of the most trusted and recognisable names within the fireplace industry.

Aurora fireplaces are manufactured using the highest quality micro-marble from around the world. Micro-marble is formed from natural marble which is ground down and mixed with resin, this process helps to remove imperfections in the surface of the marble. This also seals the porous marble against moisture, giving an extra level of protection against everyday wear and tear.

KEY FEATURES

- Naturally resistant to wear and tear
- Suitable for most gas and electric fires*

OTHER ATTRIBUTES

- Low maintenance
- Water resistant
- Cool to the touch

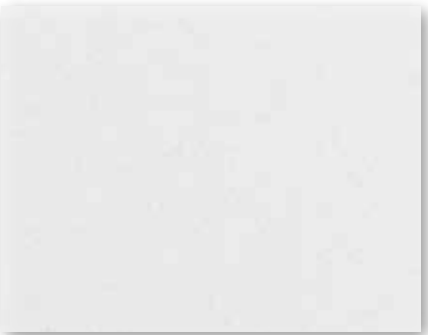

ORDER FREE MARBLE SAMPLES AT
WWW.AURORA-FIREPLACES.CO.UK/BROCHURE

Due to the nature of printing processes the material colour may vary slightly from those shown. Please consult your local Aurora stockist for samples and more information. Images used are for illustrative purposes only.

**Due to the unique technical requirements of fire products it is not possible to ensure compatibility with all fires. Please consult a suitably qualified tradesman who will be able to advise which products are suitable for your setup.*
